

Feeling Sick?

Stay home if you are sick!

If you feel unwell or in the past 14 days, you:

- have returned from travel outside the country or
- have come into close contact with someone who has a COVID-19 or
- have had any of the following symptoms

Please leave the building and contact your health care provider

***Seek medical care immediately if someone has emergency warning signs of COVID-19**

• Trouble breathing • Inability to wake or stay awake

Persistent pain or pressure in the chest • Bluish lips or face • New confusion

This list is not all possible symptoms. Please seek medical attention for any symptoms that are severe or concerning to you.
